

# CUSTOM GUARDING SOLUTIONS

## MAINTAIN SAFETY WITH OUR AWARD WINNING SOLUTIONS

Protect your personnel during machine operation with our custom made stand-alone or nationally recognized contoured safety guarding.

### Customer Benefits & Features:

- ✓ Guarding available for all packaging equipment - fillers, seamers, cappers, labelers and more
- ✓ Compliant with safety standards ANSI B155.1
- ✓ Modular, simple to specify, order and install
- ✓ Available in Category 3 level
- ✓ Prevents guard doors from opening while in normal operation
- ✓ Provides complete and positive enclosure until the machine is at rest

*Available options include:*  
BevGuard, BevGuard Plus, Keyguard, KeyGuard Plus
